

Every Hero Has a Story

Summer Reading Program 2015 Fremont Public Library

For children summer reading is a fun way to go on adventures to new places meeting people both real and fictional. Research has shown parents can help children be better prepared for returning to school in September by reading during summer vacation. At the library we look forward to supporting your family and the children of Fremont.

- ***Everyone is included.*** Children as independent readers and families may register for the program. This includes preschoolers listening to books read to them.
- Students will set a goal of how many books/minutes and sign a contract with the librarian. Families can track time read together.
- Reading time may be used for a variety of incentive programs. Ask about the other programs at the library.
- Check in weekly for a reward and ticket for the end of program drawing. The drawing for grand prizes will be at the closing party.
- A list of scheduled activities is included in this packet but keep an eye on the library website as more may be posted. Sign up as some programs have limited capacity.
- If you would like to reserve a tee shirt (or shirts) please sign up at the library. The cost per shirt is \$5.25.

Please complete the registration form and contract(s) in this packet.

For more information please email nancymason.fpl@gmail.com (Children's Librarian), stop by or call the library at 895-9543.

We are looking forward to an exciting summer!
